

Stargate Crosswords : Aliens

Across

- 3** Translates to "Against Ra"
7 Blue sushi took archeologist for a swim in "Fire and Water"
10 Not really the little green aliens. Actually, kinda gray.
11 As Jack puts it, "Sex, drugs, and Rock 'N Roll?"
12 He made them eat PIE! (LOL)
14 One of them zapped O'Neill, made another of him and went wandering around the city, going through all his stuff!
16 Teal'c was one.
18 22 Down was one.
20 They were wiped out by 31 Across.
21 He had a nice "Holiday" before leaving behind his "Legacy".
25 Alar was the leader of this race they called "The Kindred"
27 Invisible bugs the Nox were protecting and everyone else was hunting for.
28 Now you see them, now you don't. "The very young do not always do what they are told," one told O'Neill.
29 This race came and took over 24 Down's planet.
30 He was made in the image of 24 Down.
31 They took over Earth in "2010"

Down

- 1 He was Teal'c's teacher. Also known as Master _____
- 2 Made an artificial intelligence, stuck it in SG-1's heads, for observations.
- 4 Legos!
- 5 In "New Ground", they believed they were created on the planet by their god Nefurtum.
- 6 A very high "Learning Curve" among their children.
- 8 Jolinar of _____ (one word)
- 9 Found them on a volcanic planet. Can we keep them? No? Darn, so we shipped them to the Nox.
- 13 Big glowing light thing. Don't mess with Mother Nature.
- 15 They grow fast, party all day long, and nearly got Jack into early retirement in "Brief Candle".
- 17 Snake in the head, glowing in the eyes. Jack nearly got one. Sha're had one.
- 19 Our favorite little gray alien.
- 21 In "Crystal Skull", the giant aliens said "The enemy of my enemy is a friend" in what language?
- 22 Decided to take Daniel Jackson for a loong walk in "The First Ones"
- 23 Enemies of 5 Down.
- 24 They relocated to P5S381 when a new alien race came terraforming on their planet! How rude!
- 26 Nasty invisible aliens. Goa'uld larva gets ill sensing them.
